2. Manufacturer

Company Name	Posital B.V.
Registered Address	ECI 13 Roermond, 6041 MA, The Netherlands
Compliance Contact	Reiner Bätjer
Email	baetjer@posital.de

3. Declaration of Responsibility

This declaration of conformity is issued under the sole responsibility of the manufacturer identified in Section 2.

4. Object of the Declaration — Packaging Identification and Description

Supplier Part Number	Same as section 1
-----------------------------	-------------------

EU DECLARATION OF CONFORMITY | REGULATION (EU) 2025/40 (PPWR)

ANNEX VIII

Packaging Description	Available on request
Posital Packaging Part Number	Available on request
Posital Product Type key	See type label with related QR-Code-link to the product data sheet

5. Conformity Statement — Articles 5 to 12

The packaging described in Section 4 is in conformity with Regulation (EU) 2025/40 (PPWR) as follows:

Article	Requirement Summary	Compliance Status
Art. 5 — Substances of Concern	Heavy metals (Pb+Cd+Hg+Cr(VI)) total must not exceed 100 mg/kg. PFAS restriction applies to food-contact packaging only — N/A for medical device packaging. Packaging must comply with REACH requirements for SVHC. Active from 12 August 2026.	Compliant
Art. 6 — Recyclability	Design for recycling criteria and A-E grading methodology.	N/A — Commission has not yet released rules
Art. 7 — Recycled Content	Minimum post-consumer recycled content for plastic packaging.	N/A — Commission has not yet released rules
Art. 8 — Bio-based Plastic	Minimum bio-based plastic content requirements.	N/A — Commission has not yet released rules
Art. 9 — Compostable Packaging	Compost ability certification requirements.	N/A — Commission has not yet released rules

EU DECLARATION OF CONFORMITY | REGULATION (EU) 2025/40 (PPWR)

ANNEX VIII

Art. 10 — Minimization	Packaging weight and volume minimization requirements.	N/A — Commission has not yet released rules
Art. 11 — Reusable Packaging	Reusability design and performance requirements.	N/A — Commission has not yet released rules
Art. 12 — Labelling	Consumer-facing material composition labelling requirements.	N/A — Commission has not yet released rules

Where Commission delegated or implementing acts have not yet been published, conformity cannot yet be formally assessed. This declaration will be updated when the relevant acts are released.

6. Conformity Assessment and Standards

Assessment Document Reference	To be assigned
Harmonized Standards	None published at date of issue
Common Specifications	None published at date of issue
Other Technical References	None

7. Notified Body

No notified body involvement — conformity assessed under Module A (internal production control) per Annex VII. No notified bodies have been designated under Regulation (EU) 2025/40 as of the date of this declaration.

EU DECLARATION OF CONFORMITY | REGULATION (EU) 2025/40 (PPWR)
ANNEX VIII

8. Signature

Signed for and on behalf of	Signatory Name
Posital B.V.	Reiner Bätjer
Title / Position	Place of Issue
Verification designer	Cologne, Germany
Date of Issue	Signature
11/08//2026	

9. Document Retention

Retain this declaration and supporting technical documentation for 10 years from date of placing on EU market (5 years for single-use packaging), per Art. 39 PPWR. Make available to market surveillance authorities upon request.

10. Revision History

Version	Date	Change Description	Author
V1.0	11/08/2026	Initial release	Reiner Bätjer
