

Packaging Declaration of Conformity

Trafag AG hereby declares that the packaging materials listed in the corresponding Packaging Technical Documentation and Packaging Register comply, to the best of our knowledge, with the applicable requirements of:

- Regulation (EU) 2025/40 on Packaging and Packaging Waste (PPWR)
- Directive 94/62/EC on Packaging and Packaging Waste, where applicable
- Regulation (EC) No. 1907/2006 (REACH)
- Applicable requirements concerning substances in packaging materials, including heavy metal restrictions

This declaration is based on:

- Packaging specifications maintained by Trafag
- Supplier Declarations and supporting documentation
- Recyclability information provided by suppliers
- Recycled content information provided by suppliers
- Internal compliance assessments

Trafag AG maintains technical documentation supporting this declaration and will make such documentation available to competent authorities upon justified request.

The packaging materials covered by this declaration are identified through the corresponding packaging material numbers maintained within Trafag's ERP system and associated technical documentation.

This declaration remains valid until significant changes occur to the packaging design, material composition, regulatory requirements, or supporting supplier documentation.
